Dear Sir.

Can you tell me anything about
Mr. Thos. L. Elder, 37 East 23rd Street, New York
City? My reason for asking is that I
obtained his catalogue sometime ago, and
since then I have sent him three sums of
money, but so far have failed to get any
acknowledgment much less the goods ordered.
Can you do anything to assist me? The
particulars of remittances are:-

- Sept 1918 - 5/- in Postal Order.

21 Dec. 1918 - 20/- " " (Registered)

20 Jan 1919 £5 - Bank Draft. do.

Thanking you in anticipation,

Yours ffly

Dear Sir:

Your letter to our Secretary has been turned over to me to answer.

I immediately called up Mr. Elder, and he said that he had written you several letters, but had received, as I understood him, no replies. He said that he had sent two parcels to you to New Zealand, as per instructions in one of your letters.

I asked him to mail me a summary of his end of the transactions, and I am herewith enclosing it. It looks to me as if he had done his part, but the mails have failed in their work. He also said he would write to you to-day.

I trust that the whole matter will be straightened out very shortly, as Mr. Elder is thoroughly reliable, and there is no reason why anything should go wrong. Possibly he omitted putting "Hants" on the letters sent you. I will ask them down there the next time I go.

Very truly yours,

Enclosure.

Curator.
